

OPC DAY BENELUX 2011

Connecting Evolvable Automation and Business Components with OPC UA
November 16, 2011 | Antwerp, Belgium

www.opcfoundation.org

SUPPORTED BY:

PURPOSE OF THE EVENT

- Get attendees informed on OPC UA: features and functionality
- Show advanced concepts of OPC UA: go beyond simple data exchange
- Cross the bridge between production control systems and business information systems
- Explore new application fields for OPC UA
- Networking opportunity with end users, integrators, vendors, developers, researchers, etc.

AGENDA NOVEMBER 16, 2011

Session 1: Introduction to OPC UA

08:45	Registration	
09:15	Welcome and Introduction	Dirk van der Linden, Artesis
09:25	Keynote	Thomas Burke, OPC Foundation
09:45	OPC UA Introduction	Thomas Burke, OPC Foundation

Session 2: Advanced Concepts of OPC UA

10:15	OPC UA: Future Proof Secure, Reliable Interoperability	Paul Hunkar, OPC Foundation
10:45	Break	
11:00	OPC UA: Control System to IT Enterprise Integration	Paul Hunkar, OPC Foundation
11:30	OPC UA and cooperation with PLCopen	Eelco van der Wal, PLCOpen
12:00	Getting started with OPC UA: where to find what?	Juergen Lange, Softing
12:30	Question & Answer Session	
12:45	Lunch break	

Session 3: Automation with OPC UA: from Field level to Enterprise level

13:30	Normalized systems: Design and engineering of evolvable information systems	Herwig Mannaert, University of Antwerp
14:00	OPC UA based connector elements for evolvable systems	Dirk van der Linden, Artesis
14:30	The Power of OPC UA: Live Demonstration	Paul Hunkar, OPC Foundation
15:00	Break	

Session 4: Solutions and Applications with OPC UA

15:15	Information Modeling in Building Automation using OPC Unified Architecture	Wolfgang Granzer, Vienna University of Technology
15:45	OPC UA Application Success Stories	
16:00	OPC UA in Belgium	Macq, VRcontext, Easy95
16:45	Question & Answer Session and Panel Discussion	
17:15	Closing and networking celebration	
19:00	Optional: Networking Dinner 19:00 – 22:30	

EVENT ADDRESS:

→ Hof Van Liere
University of Antwerp
Prinsstraat 13 b
2000 Antwerp, Belgium
